

A PALETTE OF DREAMS

Upon the canvas of the sky so high,
A rainbow unfolds,
A vibrant sign,
Red and orange, a fiery embrace,
Yellow gleams, a sunlit trace.

Green emerges, a flourishing hue,
Blue dances with a sky so true.
Indigo whispers in twilight's ear,
Violet dreams, crystal clear.

In this spectrum of celestial light,
A colorful arc,
mesmerizing sight. Nature's palette,
A radiant show,
A rainbow's beauty, in colors aglow.
A canvas of the painter,
from the palette of dreams.
